¹ Less 35% withholding tax. Up to CHF 200 of interest each year is exempt from withholding tax (where account is balanced annually).

² The rate for overdrafts is 10%.

³ If the withdrawal limit is exceeded without giving the required notice, a commission based on the amount exceeding the withdrawal limit is charged. The early withdrawal commission is currently 2%.

⁴ Notice of termination by the savings deposit account holder must be issued to the bank in writing or orally. No further termination may be agreed during the notice period of a pending termination. The termination will cease to be effective if the terminated amount has not been withdrawn within 20 days following the due date.

⁵ Until further notice, the entire balance is available with no period of notice required. No early withdrawal commission is applied during the temporary lifting of the withdrawal limit. The following conditions will apply if the withdrawal limit is reactivated: CHF 20,000 freely available per calendar month, 3 months' notice for amounts exceeding this.

⁶ Including business account, current account for public sector entities, pension fund assets, lombard loan CHF/in foreign currency, rent deposit blocked account
