Flexibility. Worldwide.

Attractive payment options

Stay financially flexible

The option to pay by instalments gives you financial flexibility when you need it most, and you decide whether to pay your monthly credit card bill all at once or in instalments.

Additional cards

You can order one or more additional credit cards, either for yourself, your spouse or partner, or someone else close to you. It's easy and inexpensive. Choose Mastercard® and/or Visa in euros or US dollars (same currency as the primary card).

Contactless payment

Wherever you see the contactless symbol, you can make contactless payments with your credit card, easily and securely. For small purchases you don't even have to enter your PIN.

Important: The amount of the purchase can only be charged to you once per transaction.

Pay your electronic credit card bill easily with a few simple mouse clicks

Instead of receiving your credit card bill in paper form, you'll receive the bill electronically via e-banking, so you can pay it with just a few clicks of the mouse. You will need to have an e-banking contract with your bank and to be registered with PayNet.

For more information, visit paynet.ch

Mobile payment

It's quick, convenient and secure to pay with Apple Pay, Google Pay™, Samsung Pay, Fitbit Pay, Garmin Pay™ and SwatchPAY!.

This requires a one-time registration for the "one" digital service.
