Don't feel like filling out your
tax return? We do.

Free up your time for something more fun.

Wir begleiten Sie im Leben.

Send us your documentation. We'll take care of the rest.

Same sinking feeling every year? Filling out a tax return can be stressful and time-consuming. And ultimately you're not even sure if you've done it correctly, or whether you've missed something that might have been tax-deductible. Zuger Kantonalbank will happily relieve you of this chore.

If you have neither the time nor the desire to complete your tax return, why not delegate this work to our specialists? This will free up your time and save you stress – and in many cases you'll even end up with a lower tax bill. We'll deal with all the formalities, review your tax assessment, and represent you towards the tax authorities where necessary. We will draw up a declaration if you are moving into or out of Switzerland, as well as help you if you are having to deal with tax formalities for a deceased person.
