

# Goodbye, Pascal Niquille Welcome, Hanspeter Rhyner

Zuger Kantonalbank: new CEO from 1 March 2021

To our clients

# Goodbye!

I have been privileged to lead our bank through an exciting period. Thanks to its solid capital base and the high level of trust placed in us by our clients, Zuger Kantonalbank has remained the leading bank for the people of Zug. In addition, we have succeeded in positioning the bank on the market as a reliable asset manager.

Zug is a special place – a village at heart, yet with a global mindset. The right mixture of dedicated and professional staff with strong local roots but international experience is the key to success. I would like to thank all our staff for their support. Along with our clients, it is their presence and direct contact with our clients that shape the success of our bank.

Today it gives me great pleasure to fulfil what I have always regarded as my duty: to hand over a healthy, efficient and successful bank to my successor. Because Zug is and remains my home.

I wish Hanspeter Rhyner and all our staff every success in the future.

## Thank you, Pascal Niquille

Pascal Niquille has always focused on our clients. For 12 years, his principal objective was to gain and maintain your trust in our bank. Zuger Kantonalbank has developed very successfully under his careful leadership and is now one of the best-capitalised banks in Switzerland. He also deserves special recognition for successfully reposition-

ing the bank as an asset manager, for expanding our digital services, and for the healthy growth of the credit business.

In addition, Pascal Niquille was personally involved in the renovation of our head office at Postplatz, which – despite the fire – has shone out in new splendour since its reopening. The inhabitants of Zug also have fond memories of the bank's 125th anniversary celebrations and the national wrestling and alpine festival, which the bank helped to sponsor as "Königspartnerin".

On behalf of the Bank Council, I would like to thank Pascal Niquille most sincerely for his exceptional commitment to Zuger Kantonalbank.

I wish him the best of health in the future and trust he will find pleasure in his many hobbies and activities.

## Welcome, Hanspeter Rhyner

I would like to welcome Hanspeter Rhyner to Zuger Kantonalbank. I am delighted that we have been able to secure him as our new CEO. He has been CEO of Glarner Kantonalbank since 2013. Under his leadership, the bank has grown impressively and made a name for itself in digitalisation.

Thanks to his extensive management experience and knowledge of cantonal banks, Hanspeter Rhyner is excellently

qualified to lead the continued successful development of Zuger Kantonalbank.

I look forward to working with him. I wish him a good start: may he experience much enjoyment and success at Zuger Kantonalbank.
