

ZugerKB Comfort account set

For everyone who wants flexibility for their banking transactions.

- You like to stay flexible and decide on your day-to-day banking transactions according to the current situation.
- You usually make payments and cash withdrawals yourself; sometimes you get cash at the bank and occasionally you like to use the personal services of Zuger Kantonalbank for payments.
- The debit card and credit card are indispensable for your day-to-day life.
- You deliberately carry out your banking transactions through more than one private account.
